Small Brass Knob Passage & Dummy Sets

28° Latch Option

HANDING

Determining handing for door hardware is a different than determining handing for carpentry (ordering and hanging doors). If you follow the standard carpentry rules for handing door hardware, instead of following the diagram below, there is good chance you may end up with a lock that is handed incorrectly. Please refer to the diagram below and if you have any questions, call Customer Service at (800) 356-2741.

HANDING OF DOOR IS ALWAYS DETERMINED FROM THE OUTSIDE

Handing is required for all items **EXCEPT** for the followings:

- Leversets With Round Rosettes: Dummy Function
- Keyed Leversets With Sideplates: Dummy Function
- Entrysets With Inside Knob
- Knobsets: Any Function

FINISHES
